

Northfield's 13th EARTH DAY CELEBRATION
Saturday, April 23, 2022 (rain date Saturday, April 30, 2022)
Move Us Forward: Restore, Reskill, Renew

Earth-Friendly Exhibitors Action and Idea Fair Information and Registration Form

Northfield EARTH DAY's Sustainable Community Action and Idea Fair seeks Earth-friendly exhibitors with informative/educational displays, participatory projects, products, and services that improve the sustainability of our community and planet and inspire participants to take action. The Fair is an opportunity to explain your group and recruit new members. Again, this year Northfield Earth Day is hosting the Cannon Valley Market to encourage more participation.

Where: The Action and Idea Fair will be set up on Bridge Square and the streets around the square will be closed off. Exhibitors will be assigned space on a first come first served basis and must supply their own table. Table assignments with a map will be emailed a few days before the event.

Schedule: Registered exhibitors are welcome to set up displays between the hours of 12 (noon) and 1 pm on Sat. 4/23 and be ready to interact with interested folks from 1 - 4 pm. Temporary parking for unloading can be done on Water Street, and street parking is available on adjacent streets. Tables and chairs are **not** provided. Please BRING YOUR OWN tables and chairs as well as your extension cords, computers, and AV equipment. Outlets are *very limited*. Please bring your own snacks. Water will be available. Food trucks will be set up at Bridge Square.

Waste Awareness/Zero Waste Event: Exhibitors are asked not to use plastic or disposable give-away items.

COVID Requirements: To provide a safer, respectful environment for all, we are requiring exhibitors, market vendors, and volunteers to wear a face mask or shield during the event.

Registration: To reserve an exhibit space return this registration form with payment to

Northfield Area Community Solar
PO Box 74
Northfield, MN, 55057

Submissions should be received by Saturday, April 9. The registration fee is \$15.00 for all tables. If this is prohibitive for you, please just let us know. Also, if you are one of our sponsors, this fee is waived. **Please make your check out to Northfield Area Community Solar** (Northfield Earth Day's fiscal agent).

Enclosures: An event Save the Date poster - please share with your contacts.
